

2014 FUMIGATION CERTIFICATION / RECERTIFICATION WORKSHOP

**TUESDAY
MARCH 25, 2014**

*Sponsored by:
Nebraska Grain and Feed
Association*

**Holiday Inn Express
3605 Cimarron Plaza
Hastings, NE 68901**

*In cooperation with:
Nebraska Department of Agriculture,
Poppe Enterprises, and
Dow AgroSciences*

Certification / Recertification Program Description

This workshop provides an opportunity for commercial pesticide applicators to test for Initial Certification or Recertification in Category 11 (Fumigation). Topics will include Integrated Pest Management (IPM) in stored grain and processed foods, bird and rodent control, sanitation and bin preparation, grain handling and blending, fumigation of steel and concrete bins, grain aeration and drying, keeping fumigation records and a review of current and new Federal and State regulations. The Nebraska Department of Agriculture will offer exams at the end of the program for those wanting to become initially certified. Exams take approximately 30 to 45 minutes each and an individual must pass at least two exams (Core and Fumigation category) in order to become certified. The Structural category exam will be offered for those who will be using products such as liquid formulations or rodent baits.

Fumigation Recertification		
8:00 a.m.	Registration	Company _____
8:15	Laws and Regulations Update	Address _____
8:45	Stored-Grain Insects: Identification and Biology	City, State, Zip _____
